This matter comes before the Public Service Commission of South Carolina (“Commission”) on the Petition of MCI Communications Services, Inc. d/b/a Verizon Business Services for Approval of Name Change and Corporate Restructuring. Pursuant to Code Section 58-9-310, MCI Communications Services, Inc. d/b/a Verizon Business Services (“MCICS, Inc.” or “Company”) seeks to:

1. Change its name and Certificate to MCI Communications Services, LLC d/b/a Verizon Business Services (“MCICS, LLC”) as the result of a planned conversion from a corporation to a limited liability company, and
2. Undergo an internal restructuring in which MCICS, LLC will become a subsidiary of its affiliate MCI International, LLC.

MCICS, Inc. states that the restructuring will not result in any change to service rates, terms, and conditions offered to customers, and customers will continue to be served in the same manner as they are currently being served. Further, the Company maintains that the restructuring will be seamless and transparent to customers, and all the current managerial,

technical, and financial resources available to MCICS, Inc. will remain available to the surviving entity, MCICS, LLC, which will continue to be an indirect, wholly owned Verizon subsidiary.

Notice of this matter was timely filed, and no interested parties have intervened to either comment or voice opposition.

IT IS THEREFORE ORDERED:

We find and conclude that the name change is approved along with the corporate restructuring, as requested.

This Order shall remain in full force and effect until further order of the Commission.
